Welcome home to Pine Haven Bungalow presented by Bennett Homes. This incredible mountain-craftsman style home, designed with playing, entertaining and relaxing in mind, features details and benefits sure to delight all! Enjoy 2,947 square feet of living space including a main floor Master Suite, Great Room, gourmet Kitchen, two secondary bedrooms with shared bath, loft and library plus a 3 car garage. An incredible out door living space with hot tub and fire pit was created to foster gatherings with friends and family through-out the seasons and overlooks the Rope Rider Golf Course at Suncadia. This home has been thoughtfully appointed with details such as custom Knotty Alder cabinetry, hand scraped Hickory floors, natural stone accents and last but not least, a Jeld Wen folding door system which blurs the boundary between indoors and out.

You have to tour a Bennett home to begin to understand the difference Living Architecture can make. Because we pay attention to the important details in each home we design, you benefit from a home that lives better, looks better and provides better long term value. We encourage you to enjoy our home, rub your hands over the fit and finish and picture yourself living better in a Bennett home.
