CHARLAD

From the soaring stone and stucco entry columns to a two-story foyer featuring a handsome wrought iron staircase, the dramatic introduction to this 3,865 square foot golf course estate is just the beginning. Inside, a spectacular two-story great room with impressive built-in cabinets is the centerpiece, connecting easily with the dining area, kitchen and covered outdoor living space. The kitchen is a chef's dream and is home to countless contemporary features including slab granite counters, custom cabinetry, and gourmet appliances. Conveniently located down the hall from the kitchen, the main-level master suite features delightful ceiling details, a lavish walk-in closet with built-in dressers, and a luxurious master bath with jetted tub and tile shower with body jets. Adjacent to the foyer, a large study features richly stained woodwork and crown molding.

Upstairs, a flexible loft area overlooks the great room and has access to a covered terrace with commanding views of the 10<sup>th</sup> green. Two generously-sized bedrooms share a well-appointed bathroom. Down the hall, an oversized bonus room is perfect for a home theater or game room. Other features of this remarkable home include a built-in barbecue on the outdoor terrace, an oversized triple garage, and exclusive access to Braeburn Park, Apple Tree's swimming pool, hot tub, playground and sport court complex.

Apple Tree Construction would like to thank each and every employee and subcontractor for their passion, commitment and partnership for the 2008 Tour of Homes™.
