New Creation Construction, LLC is pleased to present this Three-Star Silver Certified Built Green® Home for the 2008 CWHBA Tour of Homes™. Contemporary, crisp and simplistic describe this 2,268 square foot home. Once inside the formal entry, one will surely find every amenity imaginable, all on one floor. Teragren Bamboo Flooring leads into the Great Room which features a fireplace and breathtaking views of the valley. The countertops throughout the home are appointed with Caesarstone. New Zealand Wool Carpet covers the floors of the three bedrooms of the home. The entire home features state of the art fixtures, sinks and tile work.

We would like to thank the home owner for the opportunity to build his home and feature it on the Tour of Homes™. We also sincerely appreciate of all of our staff and subcontractors who took part in this new home. New Creation Construction, LLC offers 20-years of combined experience serving the valley. Contact Justin Wolff today to start planning for your new project.
